

# TROUSERS

**1**

no zip	zip at side seam	zip at centre front	zip, pockets + waistband	buttoned fly + welt-pockets

easy → complicated

**2** **STARTER PROJECT I**

$\frac{1}{4}$  of your waist plus 3cm

cut 2x back of pants

cut 2x front of pants

"use stretchy fabric to make hotpants"

**3** "get to grips with different cuts and styles by customizing your old trousers"

cut off of knees + add flares using contrasting fabric

add zips and pockets all over

**STARTER PROJECT II**

"use knitted stretchy fabric for waistband and at knees or ankles"

"add contrasting strips of fabric at inner and side seams or simply sew trendy ribbon on top!"

use left-over fabric and make a band and attach it with D-ring to waistband

use chains, fabrics, and belts to accessorize

make the legs out of colour-coordinated panels

sewing line  
 don't forget seam allowance 1.5cm on top + bottom

make a skirt or wrap-around using matching fabric + wear over your trousers
